

## Studying English at Sussex Coast College Hastings

The School of English is located in Sussex Coast College Hastings's prestigious Station Plaza building, in the busy town centre of Hastings. Station Plaza is next to Hastings Station, where train and bus routes converge, just five minutes walk away from Priory Meadow shopping centre and just ten minutes walk to the beach. Close by there is a large choice of restaurants, cafes, coffee shops, pubs and wine bars. The Station Plaza building offers students restaurants, cafés, a gym, and a learning resource centre where they can use the internet or study independently.

Our standard English course offers students 15 hours of General English a week. Our English Plus options allow students to study for a further 6 hours. These may be used to prepare for the IELTS test, develop communication skills, develop international business English skills, or prepare for studying further in the UK and abroad.

We welcome all students from the age of 16 upwards, and younger students from aged 14 are welcome in managed groups accompanied by group leaders.
